Re: Grant #1789

Dear Dr. Hermsmeyer:

In response to your letter of March 27, 1985, I am pleased to inform you that The Council For Tobacco Research has authorized a donation of $2,000.00 for partial support of the 1985 FASEB Conference on Smooth Muscle. A check for that amount is enclosed with this letter. We request only that our contribution not be used to support costs for participants from the industrial sector.

The preliminary agenda you shared with us is both interesting and ambitious, with several of the topics of relevance to the Council's current priorities.

Although our summer schedules are rather tight now, we hope that you will hold a place for someone from our staff to attend.

Sincerely,

Harmon McAllister
